

I Saw a Shining Star

I saw a shining star on Christmas night;
Its light was seen from afar on Christmas night.
It showed the wise men the way to where Jesus lay.
I saw a shining star on Christmas night.
Hallelujah, Hallelujah,
The wise men saw the star Its light was seen from afar,
I saw a shining star on Christmas night.

I heard the angels sing on Christmas night,
They made the heavens ring on Christmas night,
For they sang "Gloria in Excelcis Deo"
I heard the angels sing on Christmas night.
Hallelujah, Hallelujah
They made the heavens ring,
They sang to welcome the king on Christmas night.

I saw the stable bare on Christmas night,
Joseph and Mary were there on Christmas night.
Jesus the Savior of all was born in a stall,
I saw the stable bare on Christmas night.
Hallelujah, Hallelujah
Joseph and Mary were there
They looked on Jesus with care
I saw the stable bare on Christmas night,

Come now and worship the King on Christmas night
Your songs and anthems bring on Christmas night
Now all sing Gloria in Excelcis Deo
Come now and worship the King
On Christmas night.
Hallelujah, Hallelujah
Your songs and anthems bring,
And make the whole earth ring,
Come now and worship- the King
On Christmas night
