

## IN QUIET CONFIDENCE AND TRUST

In quiet confidence and trust  
My God shall strength renew;  
While meditating on His word  
His voice speaks clear and true,  
He speaks to me of boundless grace;  
His love for every man;  
And how this grace to me was given  
Through God's redemption plan.  
My heart and flesh cry out for Thee  
My God and Shepherd kind.  
Renew my strength and purify  
My heart, my soul, my mind.  
Grant me the confidence to speak  
Of Thy great love to man,  
That all may know Thy wondrous works  
Throughout the earth's wide span.
