

Joy to the World

Joy to the world, joy to the world,
The world resounds with joy
All the world rejoices this glorious happy morn,
All the world is singing a Savior has been born.
Join in all the celebration,
Hear the songs from every nation
Lift your voice with joy,
All your songs employ,
Whether in Africa Or South America
Voices will ring as they welcome their King.
Your voices raise as you join in the praise.

Joy from the world, joy from the world,
The world responds with joy.
Children who live in China,
Children in far-off Japan
Lift their voices in accolades
Praising the God become man!
Joy to the World, Joy to the World,
The whole earth sings His praise.
Praise, Praise, Praise!
