

In Love with Beauty

*I have fallen in love with beauty
It glows in her sweet tender face.
In service for God and for others
She does it with His loving grace.
Here beauty and truth walk together
Displaying the essence of love.
And God's light shines brightly through her
An anointing that comes from above.
Yes, I have fallen in love with beauty
with all of my heart and my soul,
And I don't think I'll ever recover
Because I'm contentedly whole.*
