

LET YOUR WILL BECOME HIS

Let your will become His,
That He may do His work today through you.
Let your mind become His
That He may tell you what He'd have you do,
Let your life become His
That through you He might live victoriously
Let your soul become His,
That you may live with Him eternally,
Let your strength become His,
And learn to stand as He stood facing death.
Let your heart become His,
And through you may He love all men on earth,
