

## MY GOD I LOVE TO DO THY WILL

My God, I love to do thy will,  
With all my heart, with all my zeal,  
With all the things that make life real;  
My God, I love to do Thy will.

My God, I love to sing for Thee,  
I love to sing of grace so free,  
And how your grace has lifted me,  
My God, I love to sing for Thee.

My God, I love to praise your name,  
With hands upraised and heart aflame,  
Your majesty and truth proclaim,  
My God, I love to praise your name.

My God, I long to share your love,  
That love that comes from heaven above,  
May all my actions daily prove  
My God, I long to share your love.

My God, I want to serve you more,  
The lost to win, their lives to restore,  
That all men may your name adore,  
My God, I want to serve you more.
